

HOTDOG® PATIENT WARMING MONTHLY WARMING PLAN

No risk, no commitment. Use operating funds by substituting costly disposable payments for a low monthly fee with HotDog—a true patient warming partnership.

What is the Monthly Warming Plan?

For a low monthly fee, we provide everything needed for the hospital to meet and exceed SCIP-Inf-10. Warm all patients intraoperatively or in select ORs; warm in pre-op and PACU...the choice is yours. All patients receiving HotDog technology will be warmed safely and effectively.

- No long-term commitment
- Predictable monthly costs
- An operating expense, just like your payments for disposables
- Immediate savings

How long must we commit to the Warming Plan?

- There's no commitment, it's month-to-month.

What if we later decide to purchase?

- 75% of your payments can be applied to a capital purchase within the first year of the Plan.

How do we start?

- Just ask; we'll provide a quote. Simply place a PO for the Monthly Warming Plan and begin using HotDog immediately.
